

## **Benefits of Working at Facellogic**

1. Facellogic is the #1 facial provider and industry leader in the United States!
2. As an affordable membership-based spa, skin care therapists benefit from seeing guests on a routine basis, giving facials to first-time guests and seeing a steady flow of spa guests daily.
3. Facellogic skin care therapists will do more facials per shift than just about any other spa – allowing you to become a better skin care therapist and make more money!
  - a. No driving from appointment to appointment and spa to spa.
  - b. The better therapist you become the more you're requested – the more you're requested the higher income you'll make.
4. Facellogic offers entry-level positions –
  - a. No prior experience is necessary – just an esthetic/cosmetology license, passion for skincare and positive attitude.
5. As a Facellogic skin care therapist you will receive an hourly wage, service and retail commission, spa discounts and gratis.
6. Facellogic skin care therapists receive hands-on training from the Facellogic national training team as well as vendor-specific training for select product lines.
7. Facellogic Spas offer a team-oriented, positive work-environment.
  - a. Skin care therapists work together, share and learn best practices, cover shifts, refer guests and build lasting relationships with co-workers and guests.
8. Facellogic spas offer career growth opportunities – within the spa and as a national trainer for Facellogic International.
9. As a skin care therapist at Facellogic, you can focus on being an esthetician and not on administrative tasks – billing, scheduling, keeping records, filing reports, tax filings, etc.
10. By working at a Facellogic, you aren't responsible for paying booth rental, purchasing backbar products, facial equipment, linens, spa build-out, etc.
11. Facellogic Spas offer both full and part-time positions and the convenience of multiple spa locations to choose from.
12. Skin care therapists at Facellogic are given respectful appreciation and awards for helping build the spa membership and retail boutique sales.
13. There are fun activities to take part in with Facellogic – Facellogic skin care therapists help to build the spa image in the community through community sponsored events, luncheons, tradeshow, etc.
